

Sharing News & Resources across the Liverpool Methodist District

Welcome to the newsletter of the Liverpool District Mission & Evangelism facilitator.

Happy New Year!

It struck me at the Covenant Service when it was said "*Christ has many services to be done: some are easy, others are difficult...*" that some of us see evangelism as something very easy and natural, but for others of us (and my hunch is that most of us) see it as difficult - to the extent that we'd rather avoid it altogether and leave it up to someone else.

I would welcome the opportunity to come and meet with you and talk to you about what evangelism is, what it isn't and what it could be for you in your community. Whether you're a house group or a church committee or a circuit group - or any other kind of group, please get in touch and I'd be glad to meet with you.

Let's make it a New Year Resolution to talk about Evangelism this year.

Might There be More to Easter?

Produced by the Bible Society, to be published on 25th January.

It looks like this could be a useful little booklet (48 pages) addressing questions such as: how well do we understand what it's all about? Why do we celebrate Easter? Who was Jesus? Why did he die? Did he really come back to life? An introduction to those new to Christianity and a handy outreach tool for churches.

£1.99 each 25% discount when ordering 10 or more.

Wash day is 'Spring cleaning for the soul!' - encouraging practical action during Lent and Holy Week, as a new take on Maundy Thursday. What can you wash in your community and at the same time tell something of the story of Holy Week and Easter?

Check it out at www.washday.org - where there are also resources for schools and parishes.
